COMPARE LIGHT SIZES

Find your favorite size & shape.

Mini Light Strings
Complete, ready-to-use light strings.
Great for wrapping trees, garlands, railings and more.

C7 & C9 Screw-In Bulbs
Pair with socket stringers.
Great for rooflines, trees and displays with a classic bulb look.

Approximate dimensions vary by product.

Print at 100% / Actual Size

Choose US Letter paper. Turn off Fit, Shrink and Scale to Fit.
Measure the square below before comparing lights to the drawings.

1 inch

CHECK YOUR PRINT SCALE

This square must measure 1 inch on each side.

If it does not, check your printer scaling settings and reprint.
